DAZZY VANCE TO TRY IRON MAN

Chicks' Big Right-Hander to Make Effort to Beat Crackers Twice in Twin Bill. Chicks Take Sunday Game.

BY BOB PIGUE. BY BOB PIGUE.

Dazzy Vance, the Chicks' bigright-hander, is going to try the
iron man stunt Monday afternoon
against the Atlanta Crackers. Dazzy
will make an effort to win both
games of the Memorial day doubleheader from the Crackers. If Dazzy
is unsuccessful in his first start he
will turn the pitching chores in the
second affair over to Hughle Canavan. But the big redhead says he
is confident he will be able to go
the full route in both contests. The
getaway is billed for 2:30 c'clock.
Manager Dick Kauffman, of the
Crackers, has Daniel Boone and Ray
Roberts, both right-handers, ready
for action against the Tribe.

COP SEVENTH STRAIGHT.

The Memphis Chicks won their seventh consecutive game at Russwood Sunday afternoon by defeating the Atlanta Crackers in a contest called during the last half of the eighth Inning on account of a rainstorm. The score was 5 to 1 in favor of the Chicks, Johnny Suggs, ex-Auburn left-hander, opposed the Tribe and was hit hard and timely. Suggs went out at the end of the seventh and Dick Morris, another portsider, went in Morris pitched to Blades and Carroll in the eighth, when the rain came and broke up the party.

Bill Thweatt, the lengthy right-hander of the Tribe, occupied the hill for the league leaders, and but for the first inning, when the Crackers put a pair of doubles together for a counter, be was in no danger. The Crackers reached William for five hits, three of which were two-baggers. The Chicks collected 11 safeties off Suggs, among which were five two-baggers. An overflow crowd was present and ground rules were necessary, which accounted for so many two-base hits. Three of the two-basers would easily have been good for three had it not been for the ground rules.

CRACKERS START WELL.

The Crackers started well but finished badly. Vingo was called out on strikes to start the game. Brazill doubled into the left field crowd, and after Mayer had been retired by Thweatt. Charlie High doubled into the left field crowd, scoring Brazill. High's hit would have been good for three, but the ground rules prevented. Kauffman shot a liner to Bischoff to end the frame.

The Chicks presented a weird lineup, with Bischoff, a catcher, in right field, and Blades, a shortstop, playing second. Second Baseman Lewis is out of the game on account of having been spiked Friday, and Outfielder Yale Sloan wrenched his back Saturday in throwing to the plate.

CHICKS EVEN UP.

After the Crackers had scored their tally in the first, the Chicks came along and duplicated the round exactly, putting two two-baggers together for a run. Blades was thrown out by Suggs and Carroll grounded out to Kauffman. McLarry, a left-handed batter, batted right-handed, and doubled into the center field crowd, and Griffin followed with a two-bagger into the left field speciators, scoring McLarry.

In the second the Crackers went out in order. The Chicks won it in the third. Blades opened the third with a single to center and after Carroli had popped to Brazill, McLarry shot a single to right that put Blades on third. After McLarry had stolen second, Griffin popped to King, and then Sugga suffered a spell of wildness, walking Bischoff and High in succession, forcing Blades over the plate. Meyers got a short single to left, and McLarry scored, Collenberger lifted to King to end the iming.

The Crackers threatened in their third, and Wingo doubled to center with one gone. Brazill hoisted to Carroll, and Mayer was safe when High booted charite High grounded Charite High grounded the St. his grounder. Churtie High grounded out, Blades to McLarry, to end the grane. In the fourth Kauffman opened with a single, and Damrau fanned. Kauffman stole second and was thrown out at third by Collenberger, who took King's grounder, t'ollenberger retired Hager for the last out.

The Crackers went out in order in the remaining innings except the eighth, when, with one gone, Red Wingo singled to center. Mittwede and Mayer couldn't deliver.

BRAZILL GOES OUT.

Mittweete relieved Brazill at the beginning of the sixth on account of the latter's sore throwing arm. In the fourth Brazill made a two-base wild heave over first on Thweatt's grounder, sending Bill to second. Blades bunted him to second, and Carroll's double to center scored Thweatt. McLarry and Griffin were easy victims in the fifth the Chieks got their last tally. Bischoff singled to beft and took second on a wild pitch. High advanced him to third with a sacrifice and Meyers' double into the left field crowd counted Bischoff.

In the sixth, with two gone, McLarry doubled into the left field crowd, but tollerberger shot a liner that King caught. In the seventh, with two out, Moyers took two bases when Hager fielded his grounder and threw the ball through Kauffman. Collenberger shot a hot one to Damrau, who only knocked it down, with both runners being safe. Thweatt was thrown out by Mittwede. In the eighth Blades faoned and Damrau threw out Carroll, when the deluge came, putting an end to the game.

THE CASUALTY LIST.

The CASUALTY LIST.

The Chicks presented a frayed lineup, but the combination proved just
as effective as when all the regulars
were present.

Tod Sloan is out of the game with
an injured back, sustained when he
dut one loose too streng in throwing
a ball from the outfield Friday.
Jack Lewis was badly spiked in
Saturday's Atlania-Memphis game, by
Second Baseman Brazill, of the Crackers, and is out for at least a week.
Hugh Canavan, Chick left-hander, is
better, and expects to pitch either the
second game Monday, or the Tuesday
contest with New Orleans.

Geogree Bushett

contest with New Orleans.

George Bischoff played right field Sunday, and Ray Blades again covered second. Both put up a good game.

Bischoff hit a foul over the left field wall in the third that some fans figured was fair, and they proceeded to razz Empire Bill Brennan. However, the pill was foul by several inches, and the fans in position to see it were satisfied with Bill's decision.

The Chicks beat a left-hander Sun-day, hammering Johnny Suggs hard. The last game the Chicks lost, which occurred Sunday a week ago, was to Lefty Sigman of Mobile, when Siggie pitched the Tribe to a licking.

The way Big Bill Thweatt buzzed 'em by the Crackers was a revolution to those who have figured William a mountain of cheese, with large giry holes. Bill is looking better upon each start, and is getting more and more confidence, which is all he lacked here-tofor to make him effective.

The last seven (thick pitchers who have started have finished, which is quife unusual, for before the present string of victories Chief McCloskey was busy derricking his riflemen.

The Chick chieftain is still occupying a seat in the grand stand, and letting Capt. Polly McLarry handle the team. Mack says that so long as the team is going like it is, he's satisfied to remain in the background.

When Second Baseman Brazilt fielded Bill Thweatt's grounder in the fourth, he had all the time in the world to toss to Kauffman to retire Billous, but he heaved too high, and Bill took two bags on the heave. The bobble cost a run.

The Chicks have outplayed the Crack-ers in each of the three games they

have won, and every contest has been won by hitting in the pinches. Good pitching has also been very prominent in the winning of the Tribe.

Polly McLarry had a good day with the stick, getting three out of four Sunday, two of which were doubles in the crowd. Polly also stole a base.

Sammy Mayer, usually a hard and timely hitter, has been unable to get going against Chick pitchers, and has secured only two safeties in the three games.

The crowd, numbered somewhere over 7,000 souls, many of whom squatted on the ground in the three fields, as all available seats in the stands were taken fully an hour before the game started. By winning Sunday the Chicks broke he ancient hoodoo that has kept them rom copping on Sunday, They usual-win all the week and then fall down

on Sunday, but they reversed things this time by copping. The clouds hung low all the way and every moment it was expected that the deluge would come, but not until two Chicks were out in the eighth did the cloudburst occur. And, believe me, it rained some then. Further baseballing was impossible. Everybody was satisfied to call it a day, including the Crackers, who were swinging fullely at Thweatt's offerings every inning, and who raw no chance to secure any tallies.

Barrell of Money Wagered Upon the Outcome-Both Lads in Shape for Battle. Mexican Has Tough Job.

BY COYLE SHEA. Gene Delmont, of Memphis, and Frankle Tucker, of Tuisa, meet Monday night at the Southern A. C. in a bout, the outcome of which will decide the ownership of a barrel of money. They step eight rounds to a decision and Billy Haack will pick the winner.

a decision and Billy Haack will pick the winner.

More money has been wagered upon this hattle than upon any contest since Pal Moore and Harry Bramer came together and adherents of both entries soaked their belongings to await the decision. Delmont and Tucker will open at even money; if there is to be a choice, Tucker will get the call. In their first engagement Delmont and Tucker presented fight fans with the thrill of the season. Little of importance was available prior to battle, but once the dope gave way to the right cross bugs sat back for a real treat, it was Tuckers debut in Memphis and it was the first appearance of Delmont in a jocal ring in five seasons. In the interim he had been stirring up things in four countries and a dozen states. the winner. lozen states.

BOTH LADS ARE READY.

Both parties are ready for the renewal Monday night of their difficulties. Tucker has been in the country

they are not primed for a bitter struggle they never will be. And the lively

dope that emanates from both camps is to the effect that both are striving for a knockout, with more than half a chance of success.

Tucker is long and rangy; a clever lad with a double-barreled attack and a tough disposition, Delimont is short, rugged, game and aggressive. What else matters?

In their first match Delmont was beaten at his own game and Tucker lost at his chosen style. What will happen this time remains to be seen. Gene found Tucker a good target when he elected to remain in the open and shoot for the head. Tucker discovered Delmont a mark for his infighting. Neither seemed able to appreciate the correct style of attack for the situation but plugged away to the end, and to a draw decision. a draw decision.

The Chicks will get by the remainder of the season with their present pitching staff, composed of Messrs. Vance, Canavan, Albris, Thweatt and Goodbred, Thomas R. Watkins, president of the Chicks, has just returned from a visit to Irving, Kan., where he had a closerange talk with Tom Blodgett, and the Chick left-hander stated that he was figuring on starring in the political league, and that he could not see his way clear to rejoin the Chicks.

"Tom said he had nothing against Memphis or playing with the Chicks," said Watkins, "but that he was sure of being elected sheriff of Marshall county, Kan., which will pay him a salary of about \$4,000 per year for four years, and that he figured it the wisest plan to stick to his present bush. And he asked me what i'd do in that case, and I said I couldn't blame him. And I couldn't and no fair-minded fan can fairly do so either," said the Chick president.

ALL GOING GOOD NOW

The present pitching staff is going good, and are showing signs of pitching even better ball.

The club the Chicks have will surely be able to hit the ball hard all season, and it is the belief of Manager McCloskey and President Watkins that the team will be able to carry off the lag with the five moundmen now on teck. If they fall down between now and the end of the season, then the he end of the season, then will be bolstered, but with f them showing good now, it would e nothing short of folls to turn any f them out to make room for anyone me, who would be of an uncertain

BARRING BLACK SHEEP.

President John D. Martin of the Southern league late Saturday issued an ultimatum to the _ittle Rock club to the effect that Casey Smith, a pitcher late of the San Francisco club of the Pacific Coast league, who has recently joined the Travelers. would not be permitted to play ball for the Travelers. Smith was given his unconditional release by the Frisco club and all other clubs in the Pacific Coast league gave waivers on him in order to get rid of him, as he had been accused of gambling on baseball games in which he participated. The Little Rock club signed him and he has been with them for the past few days. President Martin got busy and put the bars up to Smith and all of his stripe, who will not have a chance to further besmirch the good name of baseball in any league under the banner of organized ball.

Tom Seaton, another pitcher, who was kloked out of the Pacific Coast league along with Smith, has also been signed by Little Rock, but he will not report, for he will get the same kind of treatment that Smith did, and which is undowlbedly coming to both of them and all of their lik.

ERE is the most effective and economical coating yes

produced for wood, metal and composition roofs. We have cheaper black roof paints but we recommend Fibre Coating because it gives two or three times the service of cheaper coatings and costs only a trifle more.

It is made of Carey Asphalt, which means genuine asphalt, the purest and best obtainable. It contains preservative oils which saturate and penetrate a dried-out roof and give it new toughness.

It also contains genuine Asbestos fibre, which acts as a filler and

binder to plug the pores and cracks.

Save your old roof before it is all gone. Make it last many more years.
